MobiPledge

MobiPledge has transformed from our flagship Text to Donate service to a complete fundraising powerhouse. Mobipledge is now a powerful native app system that allows you to bring your website, social media streams, video streams, donation forms ETC together in one place, making it simple for supporters to interact with your organization. Our push notification technology delivers your message directly to your supporters anytime, anywhere at the push of a button.

Mobipledge is a native app for Iphone, IPad, Android and HTML5 delivers the tools that your supporters need right into the palm of their hand. Whether they are looking for your next event, new video, want to volunteer or make a donation on the fly, Mobipledge completes the solution for your organization.
